

THE HOLIDAY

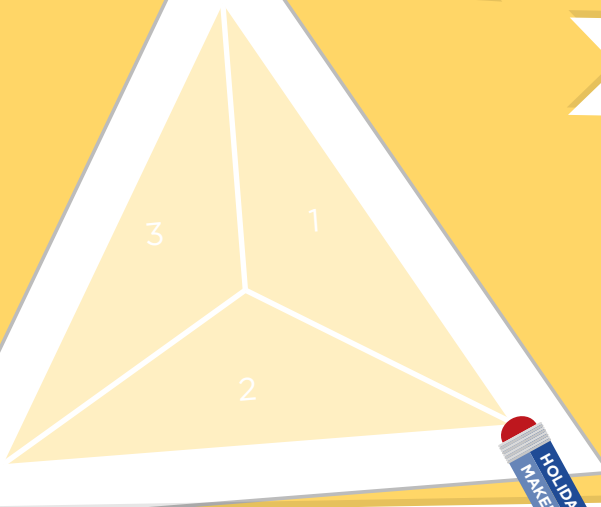

MAKERS

This journal will help you record the progress you make on The Holiday Makers.

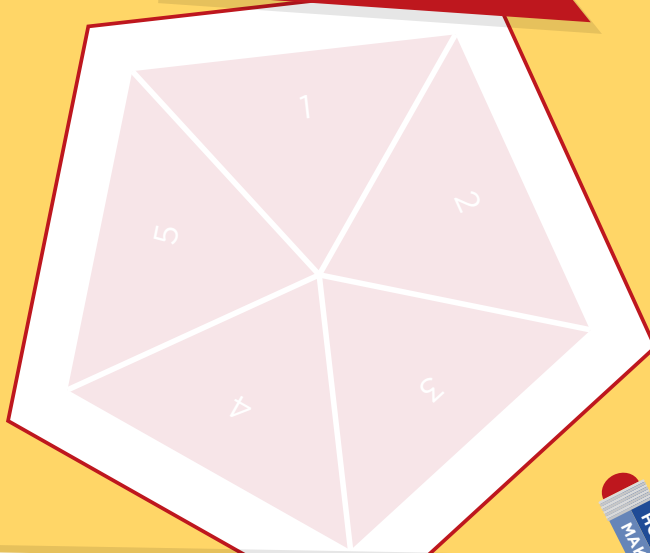

The way it works is simple: when you complete an event or activity, just colour in each section. On the next page there's space for you to write down all the amazing things you've done. This will help you keep track of all of the cool things you did over the holidays.

EVENT

Get inspired by engineering and pop along to some of the awesome events that are taking place over the holidays.

ACTIVITY

We have a series of fun engineering-inspired activities. How many can you do?

Keep checking The Holiday Makers for all of the events and activities that are happening.
